The Trustees would like to invite members and other interested businesses to help with the running of the Northern Counties Pony Association, which is a Registered Charity

They would like to make it possible for NCPA members to include their name or company name in the printed schedules and/or catalogues at the Pony of the Year show. Further opportunities for advertisements in the Yearbook are also offered to sponsors.

A variety of packages are available to allow this:

- Class sponsorship £50 / class
- Section sponsorship £100
- Ring sponsorship £250

All sponsors will be named in the catalogue and mentioned throughout the day. A complete list will be posted on the day to thank the kind sponsors who have supported the show.

I would like to support the NCPA Pony of the Year Show by the following:
